14.45–15.15 Coffee

15.15–15.45 Surgical problems in infertility – fibroids

Dr Māris Arājs (BFS, LV)

15.45–16.15 The impact of endometriosis on fertility and its treatment

Dr Deniss Syrītsa (BFS, EST)

16.15–16.45 Unexplained infertility – evidence based management

Dr Mark Hamilton (IFFS, UK)

16.45–17.15 Coffee

17.15–17.45 Recurrent miscarriage

Dr Tina Buchholz (IFFS, DE)

17.45–18.15 The integration of ethics in clinical practice

Dr Mark Hamilton (IFFS, UK)

18.15–19.15 Training in reproductive medicine

Discussion and summing up

Dr Mark Hamilton (IFFS, UK)

Dr Rolandas Ziobakas (BFS, LT)

Saturday 22nd September 2018 (Day 2)

08.30–08.35 Introduction

Dr Zivile Cerkiene (BFS, LT)

08.35–09.00 Effective strategies for running a successful fertility service

Alison McTavish (IFFS, UK)

Legal framework

09.00–09.45 The regulation of assisted reproduction treatment in Baltic countries

Dr Egle Drejeriene (BFS, LT), Dr Andris Grunskis (BFS, LV)

Dr Kai Haldre (BFS, EST)

Planning treatment

09.45–10.30 Male and female workup before IVF & Stimulation protocols and monitoring in assisted conception

Dr Raj Mathur (IFFS, UK)

10.30–10.45 Coffee

Laboratory and clinical interface

10.45–11.15 Gamete preparation and embryo culture

Dr Virginia Bolton (IFFS, UK)

11.15–11.45 Embryo transfer: how to do and how many to put back

Dr Antti Perheentupa (IFFS, FI)

11.45–12.15 Cryopreservation: clinical aspects

Dr Solvita Funka (BFS, LV)

12.15–12.45 Cryopreservation – laboratory aspects

Dr Virginia Bolton (IFFS, UK)

12.45–13.45 Lunch

Special situations

13.45–14.15 Fertility preservation: new frontiers

Dr Antti Perheentupa (IFFS, FI)

14.15–14.45 Pre-implantation genetic diagnosis – clinical and laboratory aspects

Dr Tina Buchholz (IFFS, DE)

14.45–15.15 Genomic technologies for assisted reproduction

Dr Kaarel Krjutškov (BFS, EST)

15.15–16.00 When treatment fails – patient needs, cycle analysis and future advice

Alison McTavish (IFFS, UK), Dr Richard Kennedy (IFFS, UK)

16.00–16.15 Coffee

Quality and standards

16.15–16.45 Health Outcomes after IVF – children and mothers

Dr Tina Buchholz (IFFS, DE)

16.45–17.15 Quality assurance in assisted conception

Dr Virginia Bolton (IFFS, UK)

17.15–18.00 Discussion and summing up

Sunday 23rd September 2018 (Day 3)

08.30–09.15 Keynote lecture

Dr Andrei Syrītsa (BFS, EST)

"The beginning of IVF in Baltic countries"

09.15–10.30 Case studies – IFFS & BFS

10.30–11.15 Feedback – IFFS & BFS

11.15–12.00 Quiz review – IFFS & BFS

12.00–12.15 Summing up & Certificates of attendance
